Getting to your Oral/Practical Exam

BC Children's Hospital is located at 4500 Oak St. Vancouver BC.

Bus Line : There are several options. All of the following have stops near the hospital:

#17 Oak St

#15 Cambie St

#25 King Edward

Canada Line sky train

Optimal bus information can be found using Google maps using the directions feature.

Translink.ca can also be used to do trip planning or find out frequency of buses.

By Car: Use Google maps to get directions. Enter the site at Oak St and turn right to go around the ring road. When you see a lawn with black and white statues you are approaching the entrance to the clinic. There are several parking areas near the entrance. There is pay parking on the hospital site. At a parking pay station scroll through options to pay for a full day of parking. Parking is approximately \$15 for a day (subject to change). Unfortunately there is very little free parking near the hospital and most of it has a time restriction which is not compatible with the time requirement for the exam process.
